

Hi there. We are sending this message to tell you about an important event coming up this Spring. On April 25th, Ella's Miracle Team will be walking in the Angels Among Us 5K and Family Fun Walk to help raise money for the fight against brain cancer and to honor Ella Newmiller and her family.

You are receiving this message because you may already be familiar with Ella's story, participated in one of the many events to support her and her family or just because we want to ask for your support for a cause that is near and dear to us. If you would like to learn more about Ella's journey, please go to www.ellasmiracle.com or her CarePage at www.carepages.com

All proceeds raised from this event will go toward brain tumor research at The Preston Robert Tisch Brain Tumor Center at Duke University, which will help provide new and more effective treatments for thousands of patients.

Will you join us? It will be a lot of fun and we know together we can make a difference!
